# Frederick County's Workforce Development Board & Youth Council S.T.E.M. Educational Scholarship

## Who may apply:

Any prospective student resident within the jurisdiction of Frederick County, MD who plans to pursue a degree, above and supplemental to, high school or preparatory school level in *Science, Technology, Engineering, or Mathematics (STEM)* may file an application. **In addition, the applicant must show a barrier to education (financial need will not be considered a barrier in and of itself).** All applicants must be citizens of the United States of America on the date the application is filed. This application must be filed with The Community Foundation of Frederick County, Attention: Gayle Sutch, 312 East Church Street, Frederick, MD 21701 on or before **March 12, 2010**. Only one application may be filed; all applications become the property of The Community Foundation of Frederick County, Workforce Development Board, and Frederick County Workforce Services.

The Community Foundation of Frederick County issues all scholarships checks. The Community Foundation of Frederick County will issue the check in the amount of the scholarship directly to the educational institution. Payments may not be used to cover retroactive charges. This scholarship is only for the 2010 – 2011 academic year.

## The 2010 – 2011 scholarship may be used for:

- ❑ Full-time prospective or current college students.
- ❑ One year only and is not renewable.
- ❑ Tuition, fees, books and supplies; it may be used only for usual and required costs of applicant's planned course of study. Any other use of the scholarship award may be a taxable event and the student should consult a financial advisor in any such case.

I understand that if I am selected as a S.T.E.M. scholar, I must notify The Community Foundation of Frederick County if I change my course of study, change my enrollment status, or change my educational institution. Additionally, I will submit a transcript at the end of each academic term as proof of my enrollment status and that I have maintained a 2.0 grade point average.

**Applications are evaluated based on the information herein.**

1. Incomplete applications will not be considered. It is imperative that all information be set forth, especially information as to your costs to attend your chosen course, so that we may evaluate your needs.
2. After completing this application, make a photocopy for your records.
3. All applicants will be notified by June 30, 2010 as to whether or not they are to receive a scholarship.
4. No recipient shall receive more than four (4) years of STEM Scholarships. All students wishing to receive this scholarship must apply each year for which they would like to receive the award.
